Obispo chapter of the American Red Cross, and is tirelessly working to aid victims of natural disasters. Last year, San Luis Obispo County faced a devastating fire that consumed nearly 4,000 acres and forced residents to evacuate their homes. During the Chimney Fire, Suzanne was instrumental to securing people shelter and ensuring and assisting in their recovery from the disaster.

She continues to help natural disaster victims by serving as the local Red Cross Disaster Action Team dispatcher. In this capacity, she aids community members affected by house fires, earthquakes, and flooding. Her dedication to San Luis Obispo County's disaster victims is volunteered, and Suzanne gives most of her free time to working on behalf of others and protecting her fellow community members' safety.

As a retired U.S. Army Chief Warrant Officer, Suzanne continues to be a passionate supporter of our troops and local veterans. She is always willing to extend a helping hand to those who need it. She set up a scholarship specifically for women veterans at Cuesta College, which is the sole funding available for them.

Suzanne has been a champion for natural disaster victims and selflessly works for those who need it most. I ask all Members to join me today in honoring an exceptional woman of California's 24th Congressional District, Suzanne Curtis, for her incredible service to her community.

IN RECOGNITION OF HENRI LANDWIRTH, FOUNDER OF DIGNITY U WEAR

HON. JOHN H. RUTHERFORD

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES Wednesday, March 22, 2017

Mr. RUTHERFORD. Mr. Speaker, I rise today to ask the United States House of Representatives to join me in recognizing an extraordinary leader, Mr. Henri Landwirth, for the incredible impact he has had on countless individuals not only in Jacksonville but also across the country.

Born March 7, 1927, in Belgium, Henri Landwirth, along with his family, was arrested for being Jewish. He spent five years in a concentration camp and survived the Holocaust. At 18, Henri immigrated to the United States with only a Torah and a little money. Soon after his arrival, he joined the United States Army and served during the Korean War.

Following his military service, Landwirth used his G.I. benefits to take a course in hotel management and began work in a New York City hotel. He used every opportunity to work hard and advance through every job in the business and eventually moved to Florida to own his own hotel.

He enjoyed a successful career in the hotel industry and became a philanthropist starting the Fanny Landwirth Foundation in 1985 in memory of his mother. The mission of the Fanny Landwirth Foundation is "to enrich educate and empower underserved children and families" by supporting basic needs such as food, shelter, clothing and education.

A trip to Jacksonville's Sulzbacher Center for the homeless and his memory of having no clothes when he was incarcerated at Ausch-

witz led him to found Dignity U Wear, which to date has provided over 9 million pieces of clothing valued at over \$160 million to those in need.

Henri once said, "From the darkness of concentration camps grew many compassionate courageous and generous souls." Henri Landwirth's vision to become a courageous and generous soul has been proven true in the thousands of people he's helped over the years. His unwavering commitment and dedication to his community is immeasurable.

Mr. Speaker, I applaud Henri Landwirth for his strong leadership and unyielding commitment to philanthropy and our community.

VETERANS 2ND AMENDMENT PROTECTION ACT

SPEECH OF

HON. DAVID P. ROE

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES Thursday, March 16, 2017

Mr. ROE of Tennessee. Mr. Speaker, I include in the RECORD two letters from the National Disabilities Rights Network and the National Rifle Association in support of H.R. 1181:

NATIONAL RIFLE ASSOCIATION

OF AMERICA,

Washington, DC, March 7, 2017.
DEAR CHAIRMAN ROE: I am pleased to write
on behalf of the National Rifle Association
in support of H.R. 1181, the "Veterans 2nd
Amendment Protection Act."

This bill would address an ongoing problem over the past 12 years in which veterans and veterans' family members for whom fiduciaries have been appointed by the Department of Veterans Affairs are deemed to have been "adjudicated as . . . mental defective[s]" and prohibited from possessing or receiving firearms. Such an appointment is not necessarily based on any finding that the veteran is a danger to himself or herself or to others.

Fortunately, the NICS Improvement Amendment Act of 2007 provided these individuals with the opportunity to seek relief from that legal disability. However, your bill goes one step further in protecting the rights of veterans and family members, by ensuring that no VA proceeding going forward will prevent a person from exercising his or her Second Amendment rights unless a judicial authority has found that the person's mental incapacity or disorder actually makes him or her dangerous.

We wish you success in moving forward with this important protection for the rights of those who have served our country. Please don't hesitate to call me.

Sincerely,

JASON M. QUIMET, Director of Federal Affairs.

NATIONAL DISABILITY
RIGHTS NETWORK,
Washington, DC, March 17, 2017.
Re National Disability Rights Network letter of support for H.R. 1181, the Veterans 2nd Amendment Protection Act

Hon. PHIL ROE, Chairman, House Veterans' Committee,

Washington, DC.

DEAR CHAIRMAN ROE: The National Disability Rights Network (NDRN) writes in support of H.R. 1181, the "Veterans 2nd Amendment Protection Act". We appreciate your strong advocacy on this important topic.

The National Disability Rights Network (NDRN) is the non-profit membership organization for the federally mandated Protection and Advocacy (P&A) and Client Assistance Program (CAP) systems for individuals with disabilities. The P&As and CAPs were established by the United States Congress to protect the rights of people with disabilities and their families through legal support, advocacy, referral, and education. P&As and CAPs are in all 50 states, the District of Columbia, Puerto Rico, and the U.S. Territories (American Samoa, Guam, Northern Mariana Islands, and the US Virgin Islands), and there is a P&A and CAP affiliated with the Native American Consortium which includes the Hopi, Navaho and San Juan Southern Paiute Nations in the Four Corners region of the Southwest. Collectively, the P&A and CAP Network is the largest provider of legally based advocacy services to people with disabilities in the United States.

H.R. 1181 prohibits the Department of Veterans Affairs, from considering a veteran to be adjudicated as "mentally defective" for purposes of the right to receive or transport firearms without the order or finding of a judicial authority that such person is a danger to himself or herself or others. We oppose the reporting of names without full adjudication for a number of reasons including:

The damaging message of a policy that focuses on reporting individuals who, for example, receive assistance in managing their benefits to the NICS gun database. The current public dialogue is replete with inaccurate stereotyping of people with mental disabilities as violent and dangerous, and there is a real concern that the VA policy will reinforce those unfounded assumptions.

The absence of any data suggesting that there is any connection between a beneficiary who is assisted by a fiduciary and a propensity toward gun violence.

The absence of any meaningful due process protections by not requiring an adjudication by a court of competent jurisdiction. Although the NICS Improvements Act of 2007 allows agencies to transmit the names of individuals who have been "adjudicated" to lack the capacity to manage their own affairs, VA's process does not, without a decision of a judicial authority, constitute an adjudication. Veterans should not lose the Constitutional rights they have fought to protect and defend without proper due process.

We urge Congress to act, through passing H.R. 1181, to prevent the damage the current VA practice to report names of veterans with disabilities to the NICS background check system without proper adjudication is causing on veterans with disabilities.

PERSONAL EXPLANATION

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES $We dnesday,\ March\ 22,\ 2017$

Mr. BLUMENAUER. Mr. Speaker, had I voted, I would have voted "no" on passage of H.R. 1259, the VA Accountability First Act of 2017 (Roll Call No. 168). This bill contains provisions that infringe on the collective bargaining and due process rights of Veterans Affairs' employees. Should this legislation become public law, it would have a damaging effect on patient care and VA recruitment, limiting the agency's efficiency.
